## THE EMBLEM

## WHY SHOULD YOU VISIT?

Frankfurt is a beautiful and amazing city. The Skyscrapers are huge and the whole city is really impressive. You can do many things there too, for example visit the big Senckenberg museum, where you can see bones of real dinosaurs and many more, or if you visit the city with kids you can go to the zoo. There also is the Main, on which you can go on a boat trip. And of course the Altstadt worths a visit. There is also a huge book fair once a year which is really amazing.
